A sparkling production of Arthur Schnitzler's 1893 set of seven episodes in the romantic life of a Viennese playboy, directed by Dan Bonnell on a Klimt-influenced set. Matt Letscher is charismatic yet richly comical as the hub of the action, with Alex Enberg in top form as his wry friend. Both the laughter and the melancholy keep intensifying.

Pacific Resident Theatre, 703 Venice Bl, Venice, (310) 822-8392.
